# Digital Transformation Conclave 2020

**AIMING INTELLIGENT DISRUPTION:  
LEADERS OF DIGITAL TRANSFORMATION**  
**Pearl Continental Hotel, Lahore, 18<sup>th</sup> June 2020**

The 'Race to Digitization' in Pakistan is on full swing. The digital power of China's Belt & Road Initiative (BRI) is slowly shaping Pakistan into a whole new area of opportunity. Organizations are fast becoming aware of the fact that transforming digitally is the new way forward. Bringing about change within the business is a major challenge. With the constant development of cloud computing, IoT, AI and other emerging technologies, digital transformation has become the primary goal of corporate development. According to a prediction, global enterprises' total spending on digital transformation will hit 2.1 trillion U.S. dollars by 2021, with a compound growth rate of 17.9 percent. Digital technologies have kept penetrating into all industries and created a new opportunity for global industrial development. As the mainstay of the national economy,

manufacturing is the foundation of country building and development, accomplishing the transformation of manufacturing through digital technologies has become a top priority in development strategies of many countries. The 3rd annual edition of the Digital Transformation Conclave will bring together a host of senior digital analysts and future-shaping executives from across Pakistan to speak, discuss, present, and provide their invaluable experiences on hot topics such as IT-OT integration, operation efficiency improvement, business model innovation, supply chain optimization, digital twin and digital talent need. DTC 2020 aims to provide a digital transformation reference and exchange platform for enterprises, promote the organic integration of the digital economy with the real economy, and accomplish the transformation and upgrade of global manufacturing.

## KEY TOPICS:

- Banking + Fintech Collaboration: More Important Than Ever
- How Manufacturing Thrive in the Digital Age
- Creating Value with Digitalization in the Healthcare industry
- Digital Transformation reshaping HR... The provoking tool of Digital Barometer
- Innovating for the future: Trends, our approach and regulatory perspectives
- How telecom companies can win in the digital revolution
- How digital transformation (DT) in government can empower society?

# Testimonials

## Digital Transformation Conclave 2019

*"Honored to be part of 2nd edition Scapttox Digital Transformation Conclave as a speaker and panelist. I see a lot of improvements within one year already. The quality and mix of audience was relevant to the topics presented.*

*Security Transformation (SX) is an integral part of Digital Transformation (DX) and its time that the importance of SX is realized through such discussions and conferences. Hoping that SX will dominate customers agenda in near future."*

**(Shabahat Bokhari, Regional Sales Manager – Pakistan & Afghanistan, Fortinet)**

*"Really enjoyed being part of an insightful panel about the broader role telcos can play in empowering society through technology based solutions – I hope we can continue this important dialogue going forward".*

**(Sardar M. Abubakr, Chief Digital & Strategy Officer, Telenor Pakistan)**

*"Engaging and interactive workshop with a carefully carved out agenda and a great mix of panelists to provide an all rounded view on the need of Digital transformation and How to really go about it".*

**(Bilal Asghar, GM Business Services, PTCL)**

*"it was a pleasure being part of such a dynamic panel and discussing the growth of digital payments and e-commerce in Pakistan"*

**(Omar Moeen Malik, Head of Digital Payments & Wallets, Telenor Microfinance Bank)**

*"The event was well organised with a good diversity of trending topics. It was interesting to see how the local industry is maturing to move towards a data-driven decision practice."*

**(Danish Haroon, Data Scientist, K-Electric)**

*"SCAPTOX has delivered a great event, giving a rare opportunity for many enthusiasts, young professionals, corporates all to talk to each other under one roof the importance, complexity, security, fear and gaps of data and its transformation. Kudos to the team who managed it and looking forward for such events more frequently in Pakistan."*

**(Usman Rizwan, Tech Head, GSK)**

*"I really enjoyed presenting at the Conclave 2019 event. First class venue. Excellently organized by Scapttox and a high calibre of expert presenters. Very impressive"*

**(Charles Marcus, Consultant, The Empowerment International Group, Inc.)**

*"It was my pleasure to attend Digital Transformation Conclave 2019 and got the opportunity to listen to leading Thought Leaders on Pakistan's Digital Canvas. I would like to congratulate @Scapttox for successfully arranging it for consecutive second year. Other local technology Companies should follow the footstep of Scapttox and play their role in spreading the message and propagating the importance of Digital Transformation for countries like ours."*

**(Adnan Wahab Khan, CEO, Procon)**
